Announcements

Yard Debris Bins are in the alley behind Buildings 9 & 10. Residents are welcome to use these for leaves, grass clippings, weeds, and branches and pruning that do not exceed 4" in diameter and 36" long. Do NOT include dirt, metal, sod, ashes, rocks, stumps, food waste, lumber, household garbage, plastic, or animal waste. It is important to NOT use plastic bags, metal clips, or plastic ties to put in the bin. You may roll the cart to your unit to throw out your yard debris, but MUST roll it back in place in the alley so that the cans can be emptied by walker. They will not go to just any location, the bins must be in their appointed place.

From our Neighborhood Watch – a cautionary note: Please if you see someone has left their garage door open at night, would you try to

contact them. Recently one of our residents forgot and left their door open overnight and there were concerns about their safety. A phone roster that indicates numbers to call for a given unit is distributed periodically. If you are in need of a roster, contact CMI who can send one to you.

Cigarette butts – no one wants to see them! We have a request from the maintenance committee. Recently a number of butts have been seen near the small pool. Please do not leave cigarette butts on the Millridge property.
